

Partnership Commitment **due by December 31, 2025**. Please complete and e-mail GASCO's 2026 Corporate Partnership Commitment Form to Peter Lyle at pflsr@medicalmanagement.com.

Partnership Funding for all levels of Partnership is due by January 31, 2026. Due to the increasing rate of mail theft and check fraud, GASCO requests all Partnership funding payments be made by ACH or EFT, if possible. Incoming ACH or EFT funding payments, whether directly from the Corporate Partner or a third-party payor on behalf of the Corporate Partner, **must clearly identify the company name** in order for GASCO to properly apply the funding payment. **Please contact Peter Lyle at pflsr@medicalmanagement.com or Anne Marie Cahill at acahill@medicalmanagement.com to confirm GASCO's correct banking information is on file.**

Below is a list summarizing the benefits available at each level of GASCO Corporate Partnership. Please refer to pages 7-8 for more information on specific criteria and/or restrictions that may apply to certain benefits.
