RE: 2027 GASCO Corporate Partnership

To Our Valued Industry Colleagues:

As GASCO looks ahead to 2027, we are pleased to invite you to Corporate Partnership with the Georgia Society of Clinical Oncology (GASCO). We are grateful for your support and for the role our Corporate Partners play in helping GASCO advance education, collaboration, advocacy, and communication across Georgia's cancer care community. The 2027 partnership year will run from January 1 through December 31, 2027.

GASCO brings together a broad, statewide network of oncology professionals from academic institutions, health systems, and community practices. Our membership includes medical oncologists, hematologists, radiation and surgical oncologists, pathologists, Advanced Practice Providers, oncology pharmacists, nurses, administrators, and other professionals who support the delivery of cancer care. Through the GASCO Administrators' Association and the Cancer Patient Navigators of Georgia Association, our reach extends across both the clinical and operational aspects of oncology care.

Our work is strengthened by an engaged Board of Directors and by collaboration with organizations throughout Georgia and nationally. GASCO continues to develop educational and professional initiatives with the American Society of Clinical Oncology (ASCO®), Georgia Center for Oncology Research and Education (Georgia CORE), Winship Cancer Institute of Emory University, Wellstar/Augusta University/Medical College of Georgia, Morehouse School of Medicine, the Association of Oncology Nurse Navigators (AONN), and the Georgia Association of Pathologists (GAP).

These relationships allow GASCO to focus on timely, relevant programming while bringing together expertise from across the cancer care community. In addition to education, GASCO remains actively engaged in advocacy at the state and national levels, working to support policies that improve access to high-quality cancer care and strengthen the oncology community in Georgia.

Building on the strong response to our 2026 programs - including record attendance at the GASCO Annual Meeting and Licensed Best of ASCO® - our 2027 plans will continue to address emerging preventive, diagnostic, and therapeutic advances in cancer care. We also remain committed to creating meaningful opportunities for Corporate Partners to engage with GASCO and the oncology professionals we serve.

For 2027, GASCO is updating the names of its Corporate Partnership levels. Platinum, Level I, Level II, Level III, and Level IV will become Platinum, Gold, Silver, Bronze, and Exhibitor, respectively. The enclosed 2027 materials outline the benefits and annual investment associated with each level.
Our currently planned 2027 meetings include:

- March 19 – 21, 2027 – GASCO Semi-Annual Meeting, Grand Hyatt Atlanta Buckhead
- August 19 – 21, 2027 – GASCO's Semi-Annual Meeting and Best of ASCO®, The Hotel at Avalon, Alpharetta, Georgia.
- November 12 – 14, 2027 – GASCO Annual Board Retreat (by invitation – Platinum and Gold Corporate Partners only)

To become a Corporate Partner for 2027, please review the enclosed 2027 Corporate Partnership Levels and Associated Benefits Chart and Corporate Partnership Summary and Commitment. Upon choosing your preferred level of Corporate Partnership, please complete the Corporate Partnership Commitment Form by December 31, 2026 and return it to Anne Marie Cahill at anne@gasco.us. Annual partnership funding is due no later than January 31, 2027. Exhibitor Corporate Partners may pre-pay on a meeting-by-meeting basis to reserve exhibit space for GASCO's 2027 Semi-Annual Meeting and Best of ASCO® through April 30, 2027, subject to availability and on a first-come, first-served basis. After April 30, reservations will continue to be accepted as space permits.

We value the relationships we have built with our Corporate Partners and appreciate the resources and engagement that help GASCO continue serving Georgia's oncology community. We hope you will join us in 2027 as we build on this momentum and expand the reach and impact of our programs.

Thank you for your consideration and for your past support of GASCO. If you have questions regarding the 2027 Corporate Partnership program, please contact me at (770) 951-1018, option 1, or pflsr@medicalmanagement.com.

Sincerely,

Peter F. Lyle, Sr.
Executive Director
